

## LIBRARY DATABASES

### Access Instructions

#### 1. Off/Outside-campus: this access method is zero-rated i.e. no data charges apply for all major South African network providers

- Select the provided **off/outside** campus database link in the second column
- When the library login page opens, provide your 'Username' (**Name and Surname**) and the 'University ID' (**Student or Number Staff**)
- You should then be able to search and download full text articles that the University subscribes to.

#### 2. On-campus:

- Select the provided **on** campus database link in the second column to access the database directly
- You should automatically be able to search and download full text articles that the University subscribes to.

### Important Note:

- Please clear your **browser cache**, **cookies** and **history** regularly as they often result in errors when accessing databases. Most access issues can be resolved by this procedure. Select **either** of the links below for instructions: <https://www.mmm.edu/live/files/2544-cleaning-cache-instructions> or <https://cahnrs.wsu.edu/communications/web-services/support/internet-browsers-clear-cache-and-cookies/> or <https://www.digitaltrends.com/computing/how-to-clear-your-browser-cache/>
- If you still experience access problems after clearing the cache, please try accessing with a different **Web Browser** (e.g. *Google Chrome, Firefox and Microsoft Edge*). If problems persists report to [Library.Systems@ul.ac.za](mailto:Library.Systems@ul.ac.za)
