APS Conversion Table for Non-NSC examinations.

Grade | APS
--- | ---
C | 3
D | 2
E | 1
F | 0

6. Selection Tests

The University of Limpopo requires applicants to pass selection tests in order to be considered for admission. These tests are designed to assess your ability to succeed in the programme.

7. Recognition of Prior Learning

The University of Limpopo recognizes the prior learning of students who have completed comparable programmes.

Disclaimer:

- The University of Limpopo reserves the right to withdraw, add or amend any policy or any information in this prospectus without prior notification.
- Fulfilling the minimum admission requirements does not guarantee admission to a study programme (degree, diploma or certificate) at the University of Limpopo, as the University has limited number of places available.

UGKAAONGA

REALGKAAONGA

DISABILITY CENTRE

Realkaonga Disability Centre is a centre of excellence. It is the first of its kind in the country and is equipped with advanced technology to facilitate teaching and learning of students with disabilities, for example visually impaired students, physically disabled students and students with severe medical conditions.

To achieve its goals, the RDC provides the following services:
- Orientation and Mobility training for blind students
- Low Vision reading facilities for partially sighted students
- Auditory and Braille library services
- Computer laboratory with computers running a Braille program installation suite and specialized Braille equipment
- Braille production facilities for the conversion of print into Braille
