RESEARCH OUTPUT OF THE ACADEMIC YEAR 2004

0 ORIENTATION

This submission covers the research output that comes from the three faculties, viz. the Faculty of Humanities, Faculty of Sciences, Health and Agriculture, and Faculty of Management Sciences and Law, during the 2004 academic year. The format that has been followed in this submission includes, as per faculty per school, record of individual lecturer’s contributions into research, publications (i.e. SAPSE and non-SAPSE accredited publications, refereed papers, book reviews, chapters in books, and books) presentations of academic papers and posters at different conferences, seminars and workshops, linkages/collaborations, membership of executive committees of academic associations, professional bodies and community outreach.

1 FACULTY OF HUMANITIES

1.1 STAFF HONOURS

1.1(a) SCHOOL OF LANGUAGES AND COMMUNICATION STUDIES

Brink, S.A. Was elected to the position of National Treasurer of LIASA.
Louw, S. Chaired a doctoral colloquium at Tshwane University of Technology, Pretoria, 28 May

1.1(b) SCHOOL OF EDUCATION

Maoto S Obtained a Ph.D. in Mathematics Education from Curtin University of Technology, Australia. 2004.

1.1(c) SCHOOL OF SOCIAL SCIENCES

Kgosimore DL Continued to serve on the Criminology and Criminal Justice Standards Generating Body (SGB) of the South African Qualifications Authority’s (SAQA) National Standards Body (NSB) 08. This SGB was able to have a four-year BA degree in Criminology registered with SAQA in 2004 and also completed unit standards for the MA and Ph.D. degrees.
Moolman CJ Member of a team that has been tasked with developing an undergraduate program for the South Africa Police Services (SAP.S.). This is collaboration between SAP.S. and universities. Six meetings were attended in Pretoria during the 2004 academic year.

Mboweni MSJ 2004 Presented a paper at the School Teacher’s Enrichment Programme conference in Udupi, India from April 5-8, 2004.

Modiba M 2004 Presented a paper at the University of Botswana Conference held from 14 - 16 June 2004. The theme of the conference was Adult Education and Poverty Reduction: A Global Priority.

Modiba M 2004 Presented a paper at the South African Linguists Association (SAALA) conference held at the University of the North from 11 - 14 July 2004. The title of her paper was ‘Breaking New Grounds: introducing an African language as both subject and medium at the University of the North’.

Rampedi MA 2004 Adult Education and Poverty Alleviation: A constant flow of tears at the University of Botswana conference.

Rampedi MA 2004 Doing Research in the ‘Virgin Islands’ at a research conference at Eduardo Mondlane University in Maputo (Mocambique) held from 28 June 2004 to 1 July 2004.

Van der Merwe S 2004 Presented a paper at the School Teacher’s Enrichment Programme conference in Udupi, India from April 5-8, 2004.

1.4.1(c) SCHOOL OF SOCIAL SCIENCES

Govender S 2004 4th African Conference on Psychotherapy, organised by the World Council for Psychotherapy African Chapter, hosted by the

Kirk NC 2004 Shifting Boundaries of Knowledge- The role of Social Sciences, Law and Humanities conference organised by National Research Foundation on the 28 May 2004 at Tshwane University of Technology. Presented a paper on “Addressing problems of shifting Paradigms in the Social Sciences Resistance, Reconstruction and Democracy”.

Madu SN 2004 HIV/AIDS Workshop organised by the School of Economic and Management Sciences, University of the North, 18 August 2004. Paper presented: Students’ Attitudes towards condom use”.

Malaka DW 2004 Presented the following papers: Social stigma and HIV/AIDS: A cross-cultural analysis of African American and South African College Students; and An investigation of substance use among street children in Mpumalanga. These papers were read at the World Association of Psychiatry in Southern Africa conference held at Caesar’s Place, Johannesburg, 1-5 March 2004. The first paper was prepared by Dr. MG Harrison (Southern University), Dr. DW Malaka (Unin), Dr. C Duncan (Southern University), and Dr. D Miller (Southern University), and the second paper was prepared by Prof Malaka, A. Lekwadu and T Duba.

Malaka DW 2004 A comparative analysis of cross-cultural validity for the prevention instrument used with rural African American and South African youths, at the Psychotherapy conference at the University of the North, 12-16 July 2004. This paper was prepared by Dr. DW Malaka (Unin) Dr. Harrison (Southern University).

Malaka DW 2004 National Drug Master Plan. This was presented to the Limpopo Substance Abuse Forum, at Gateway International Airport, Polokwane, 02 December 2004.

Makofane MDM 2004 Presented a paper entitled Men and gender based violence at a conference on Ten years of democracy: Men and gender at the crossroads at Vhembe on the 06th May 2004.

Makofane MDM 2004 Presented a paper entitled: The communication and cultural perspective of women abuse at the first conference organized by the South African Council for Social Service Professions (SACSSP) at St George Conference Centre, Gauteng, 26 October 2004. Mashego T.A.B. Attended a Themba Lesizwe Trauma congress in Durban 31 August - 03 September 2004 and presented three papers:

- Mashego T.A.B. Attitudes and practices of doctors towards domestic violence victims in South Africa. Does the doctors’
training prepare them enough to handle violated victims holistically?

- Mashego T.A.B. Cross cultural work with survivors of trauma: Adding some sensitivity to our work with survivors.
- Mashego T.A.B. Vicarious Trauma: Let’s talk about ‘storing’ pain for the survivors of trauma.

**Mashego TAB**
2004 Keynote Speaker: Conference of Psychotherapy in Africa (African Chapter) held on 30 June 2004: Title: Are we ready for a paradigm shift: Traditional psychotherapy to Community Intervention approaches said to be more relevant for the rural masses of South Africa? Taking notes from a victim Empowerment Survey conducted in the Limpopo Province.

**Mashego TAB**
2004 Conducted a two day workshop at the University of Oslo, Norway as a visiting lecturer, 06-07 September 2004: “Culture and psychological intervention”.

**Mashegoane S**
2004 Presented a paper entitled “Comorbidity in Alcohol Abuse” at the Provincial Substance. Abuse Conference, 30 November 2004, held in Polokwane, Limpopo.

**Mokobane CC**

**Mokobane CC**

**Mokone JM**
2004 Presented a paper entitled: Coordination efforts in addressing gender-based violence in schools in Limpopo Province: A case study at the first conference organized by the South African Council for Social Service Professions (SACSSP) at St George Conference Centre, Gauteng, 26 October 2004.

**Phalane MM**

**Phalane MM**

**Phalane MM**

**Pule MI**

**Rankoana SA**
2004 Attended the national conference of the Indigenous Plant Use Forum (IPUF) at Clanwilliam in the Western Cape on 5 to 8 July 2004. Theme: “From the plant to the market-place – overcoming the obstacles.” She read a paper titled “Traditional phyto-therapy use: an intellectual property right.”

**Sedumedi S**
1.4.2 POSTERS PRESENTED

1.4.2(a) SCHOOL OF SOCIAL SCIENCES

1.5 LINKAGES/COLLABORATIONS/EXCHANGE PROGRAMMES

1.5.1 LINKAGES

1.5.1(a) SCHOOL OF LANGUAGES AND COMMUNICATION STUDIES

Brink SA, Ntsala MJ and Mahlatji MR Dept of Library and information Studies; University of Georgia in Athens, Georgia.

Brink SA, Ntsala MJ and Mahlatji MJ Tower Hamlets Schools Library Services; London.

Dseagu S Has been in collaboration with a University of Venda Science and Technology academic staff member and a KwaZulu-Natal Technology academic staff member in connection with the research project, ‘Oral narratives collection in Limpopo’.

Gottwald SR and Schulze MM Two interns from Kehl worked in the Training and Development section of the University of the North for two months. They attended German lectures whenever possible and have since assisted one of the students of German financially. They also donated toys to a crèche of which Ms Schulze is patroness.

Gottwald SR and Schulze MM The student exchange programme between the University of the North and the Hochschule Magdeburg-Stendal took place for the eighth year running: A total of four students from the Hochschule Magdeburg-Stendal studied at the University of the North, while four students of German and Media Studies were invited to study in Stendal for 4½ months. The Discipline of German gratefully acknowledges the generosity of the Dean, Prof. Teffo, who covered the cost of the airline ticket for one of the bursars.

Gottwald SR and Schulze MM The link with the German Academic Exchange Service (DAAD) continues. A first year student of German was invited to Germany to attend the Deutschlandkundlicher Hochschul-Winterkurs in Tübingen, Germany.

Gottwald SR and Schulze MM The Discipline of German forged a new link with the Heinrich-Böll-Foundation of Germany when the Regional Director, Dr. S. Cramer, visited the discipline in October 2004.

Gottwald SR and Schulze MM The link with the Initiative Südliches Afrika (INISA) continues, even though no bursaries were awarded this year. INISA-members met the Stendal bursars at the airport in Berlin and gave them a tour of the city prior to putting them on the train to Stendal.

Louw S Meeting with delegates from Karlstadt University, Varmland, Sweden, Unin, 3 February.

Louw S Meeting with academic visitors from Nijmegen, The Netherlands, 27 February. Prof Carel Jansen, Radoub University, Nijmegen, has indicated his interest in and willingness to become involved in the Research Project in Culture, Communication and Heritage in Limpopo and to assist supervisors.

Louw S Hosted the visiting scholar, Mr Gondo, from Zimbabwe, October.
Louw S  Met representatives from the American Embassy, 13 October.

Nxumalo S  English Assistance in France. French Embassy, Johannesburg. Two students have benefited from this programme.

Rammala JR  Continued collaboration with UFS on cross-listed MA Modules for Translation Studies and Interpreting.

Schulze MM  Arranged a cultural tour through the Elim area for the visitors from Kehl.

Schulze, M.M.  The link with the Fachhochschule Kehl in Germany continues to flourish. The visiting delegation donated dictionaries, magazines, pens and other items to staff and students of the Discipline of German.

1.5.1(b)  SCHOOL EDUCATION

Cherian L  Initiated linkage with South East Missouri State University, USA to start B.Ed in ECD. The programme is already developed but the linkage process is still going on.

Dekkers P  Worked on links with Dr. Ed van den Berg (Rijksuniversiteit Utrecht, The Netherlands) and Prof. Diane Grayson (University of South Africa), postgraduate research workshop and evaluation workshop of DMSTE’s ACE programmes for Science Education, UNITE project. October 2004.

1.5.1(c)  SCHOOL OF SOCIAL SCIENCES

Govender S  The World Council for Psychotherapy (Based in Vienna, Austria), (Collaborations in Psychotherapy/Clinical Psychology training, Conferences).

Govender S  University of California (Research Collaboration).

Govender S  Columbia University (Research Collaboration).

Govender S  University of Michigan (Research Collaboration).

Kirk NC  Social Sciences and Humanities Collaboration with Virginia State University- Mou signed contact person Dr. Joyce Edwards.

Kirk NC  Social Sciences, Political Discipline, Fulbright Scholar from Savannah State University: Prof. M.M. Kadalie.

Kirk NC  An existing programme of collaboration with Prof. Serena Nanda of the Anthropology Department at the John Jay College of Criminal Justice, City University of New York, was further pursued and led to the exchange of information on ethnomedicine, cultural museums and indigenous knowledge systems.

Madu SN  The World Council for Psychotherapy (Based in Vienna, Austria), (Collaborations in Psychotherapy/Clinical Psychology training, Conferences).

Madu SN  University of California (Research Collaboration).

Madu SN  Columbia University (Research Collaboration).

Madu SN  University of Michigan (Research Collaboration).

Malaka DW and Sithole SL are involved in a Research Partnership with Southern University, USA.
Mashego TAB University of Oslo (Research & exchange professor collaboration).
Mashego TAB University of Stellenbosch (Research Collaboration).
Moripe S Church History Society of Southern Africa.
Moripe S Studia Historiae Ecclesiasticae (Journal of the Church History Society of Southern Africa).
Moripe S Editorial Board Member. Theologia Viatorum (Theological Journal). Sub-Editor.

- Phalane, M.  Council for the Development of Social Science Research in Africa (CODESRIA).
- Pule, M.I.  Health Professions Council of South Africa.
- Rankoana, S.A.  IPUF - National.
- Rankoana, S.A.  ASA - National.
- Rankoana, S.A.  OSSREA.
- Rev Rathethe, B.M.  Member of the Philosophy Society of Southern Africa.
- Sedumedi, S.  Psychological Society of South Africa.
- Sedumedi, S.  Health Professions Council of South Africa.
- Shilubane, P.X.  Indigenous Plant Use Forum (IPUF).
- Sithole, S.L.  Member of the South African Council for Social Service Professions.
- Sithole, S.L.  Member of the Employee Assistance Professional Association Board.

1.7 COMMUNITY OUTREACH

1.7(a) SCHOOL OF LANGUAGES AND COMMUNICATION STUDIES

- Brink, S.A.  Participated in the organizing of the 2004 LIASA conference which was held in Polokwane from 27 Sept - 01 Oct.
- Chauke, O.R.  Gave a motivational talk at Mbhanyele High School, Malamule, 5 October.
- Cloete, M.J.  Adjudicator for the following debates in the Polokwane Mayoral Debating Competition:
  - 26 February: MEPP.S. vs Seloane Secondary School.  UNIN.
  - 17 March: Kuschke vs Millennium College.  Polokwane Library.
  - 2 April: Kuschke vs. MEPP.S.  MEPP.S.
  - 5 May: M.E. Makgato vs MEPP.S.  Polokwane Library.
  - 27 August (Finals) Bokomoso A vs. Bokomoso B.  Jack Botes Hall.

- Dseagu, S.  Member of Shakespeare Association of Southern Africa, Folklore. Association of Southern Africa, and International Association for Folklore in Africa.
- Gottwald, S.R.  Translated two articles from 19th century German into English for a student of history.
Gottwald, S.R. Translated, from English into German, a text for Jacana Media’s German edition of *Find It*.

Gottwald, S.R. Translated various documents for a number of individuals, from German into English, from Afrikaans into English, and from French into English, respectively.

Gottwald, S.R. Edited the translations, from Afrikaans into German, of two short stories.

Louw, S. Caucused as Member of the Arts Cabinet at the Klein Karoo Nasionale Kunstefees, Oudtshoorn, and adjudicated for the Kanna award to best actor, KKNU, Oudtshoorn, 1-12 April.

Louw, S. Official proofreader and language specialist for SANParks’ Honorary Rangers.

Madadzhe, R.N. Member of the Ministerial Task Team to advise on the development of Indigenous African Languages as mediums of instruction in Higher Education.

Madadzhe R.N. Chairperson of Tshivenda Lexicographic Committee.

Mayevu, C.M. Translated several articles from English to Xitsonga for DWAF.

Mayevu, C.M. Board member of Timfanelo/Ditokelo Legal Advice and Social Information Centre (NGO). Attended four (4) meetings.

Mayevu, C.M. Board Member of the Mahonisi Early Learning Centre, Waterval - Elim, and assisted with fundraising.

Milubi, N.A. Chairperson of Limpopo Provincial Language Council and Tshivenda Language Body.

Milubi, N.A. Member of the following: Tshivenda Writers Association, African Languages Association of African Languages, Southern African Folklore Society and Tshivenda National Lexicographic Unit.

Nagel, P.S. and Lubinga, E. Serving on the Editorial Committee of *Limpopo Leader*.

Ntsala, M.J. Coordinated a research study initiated by the Print Industries Cluster Council Working Group on libraries. This was an information gathering exercise on the funding of public libraries in each province and its municipalities. Ntsala, M.J. represented the Limpopo Province.

Nxumalo, N.E. Attended several Nxumalo Royal family meetings last year over the week-ends and was elected to be the spokesperson of his majesty King Eric Mpisane II Nxumalo.

Nxumalo, N.E. Deputy Chairperson of Xitsonga Writers Association.

Nxumalo, S.M. Translation/Interpretation services for Limpopo Province and NGOs.

Nxumalo, S.M. Interpretation services for the Department of Justice. Magistrate Court, Potgietersrus.

Schulze, M.M. Translated an article from 19th century German into English for a student of history.

Schulze, M.M. Organized and put up the LANGCOM exhibition at the Pontsho in March.

Schulze, M.M. Organized two arts, crafts and book exhibitions at the graduation ceremonies in April and October, respectively.

Schulze, M.M. Organized the arts, crafts and book exhibition at the Spring Lectures in September.

Schulze, M.M. Organized and made three trips to Elim area and surroundings with the exchange students from the Fachhochschule Magdeburg-Stendal and the Fachhochschule Kehl.

Schulze, M.M. Made three trips to Elim and Thohoyandou in her capacity as member of the Arts and Crafts Committee for the purpose of acquiring sculptures and artifacts by artists of the Limpopo Province (with Prof Louw).

Schulze, M.M. Edited *Handbook for Optometry*. Prof. A.O. Oduntan; Editions I and II of *Theologia Viatorum*; numerous proposals, extended essays, mini-dissertations, dissertations, and doctoral theses, especially for UNIN, Edupark and Technikon Pretoria students, as well as academic documents such as the document containing
additional information for the continued accreditation of the MBA course at Edupark.

- Schulze, M.M. Translated documents for the UNIN Language Centre, the Limpopo Government and other academic instances.

1.7(b) SCHOOL OF EDUCATION

Brits, J.S. Limpopo science Week 2004: presented Biology workshops for learners and teachers.

Mabasa, D. Was heavily involved in the organisation of the conference for the BASWA project.

Mabasa, D. Participated in the in-service programme NPDE.

Moloko, P. Conducted training sessions for Regional Platform Guidance teachers. She held three training sessions for 20 school guidance teachers in Mahwelereng district and 20 in Seshego district.

Moloko, P. Held consultations with student service centre managers at Mokopane EMPC and MASTEC EMPC.

Moloko, P. Was involved in the preparations of the concluding conference for the BASWA project.

Rampedi, M.A. Was heavily involved in the organisation of the conference for the BASWA project.

Rampedi, M.A. Continued to represent CHE on the South African Council for Educators (SACE).

2 FACULTY OF SCIENCES, HEALTH AND AGRICULTURE

2.1 STAFF HONOURS

2.1(a) SCHOOL OF AGRICULTURAL AND ENVIRONMENTAL SCIENCES

Meyer E H H was invited to evaluate final year B.Sc and Honours students in the Department of Genetics, University of Stellenbosch, together with Prof Johan Spies, University of Free State.

Meyer E H H co-hosted a Hungarian delegation of aquaculture specialists. After a one week tour of institutions in Gauteng, Limpopo and Mpumalanga, a research link was established and Prof Meyer has been invited to Hungary. A formal research proposal was submitted to the Department of Science and Technology by the third partner, the ARC Institute at Onderstepoort and Irene.

Meyer E H H stepped down from the Council of the South African Genetics Society, after serving in various capacities for the past 35 years. He is now the editor of the half-century celebration publication, to be launched at the 2006 congress in Bloemfontein.

Moyo N A G – Proposal for Tilapia cage culture project was accepted for funding by the National Research Foundation.

2.1(b) SCHOOL OF HEALTH SCIENCES

Sheni DDD - the World Council of Optometry - formerly elected and inducted, Prof Sheni, as President of WCO, in Orlando Florida USA. June 2004.

The Mayor of Cagedena presented Professor Sheni with the key to the city of Cagedena, October 8th, 2004.
Dambisya YM Appointed Visiting Professor, University College of Technology and Management in Malaysia (KUTPM), Malaysia for the period February 2004 - January 2006.

2.1(c) SCHOOL OF MOLECULAR AND LIFE SCIENCES

Dippenaar S M was awarded the 2004 WO Neitz Medal for the best PhD thesis by the Parasitology Society of South Africa.

Grobler J P was appointed as part-time research associate in the Department of Fisheries and Wildlife Sciences, Virginia Polytechnic Institute and State University, USA with annual 3-month visits starting from January 2005. He also achieved second place in “best senior presenter” category at the annual symposium of the Southern African Wildlife Management Association.

A paper by a group of researchers in the School (Howard RL, Jansen van Rensburg and Abotsi) made it to the front page of the African Journal of Biotechnology. This is normally an honour reserved for outstanding work.

Ncube I was appointed to the United Nations Education Scientific and Cultural Organisation (UNESCO) Chair in Biotechnology with effect from 2004.

2.1(e) SCHOOL OF PHYSICAL AND MINERAL SCIENCES

i. Water and Sanitation

- Moodie U has been appointed to the Standard Generating Body for the Water Sector.

  She has been used as a verifier by Local Government Water SETA (LGWSETA) to verify training providers for accreditation.

ii. Unify

- Kazeni M M M won an award for best MSc presentation at the 2004 post-graduate INDABA that was held at the University of Pretoria.

- Masha K J was appointed the convener of the development of the Mathematics Benchmarking Test (SAUVCA project).

- Masha K J served on the reference group for the evaluation of the Foundation Year Programmes proposals for accessing the National Department's Earmarked funds for the sector.

- Masha K J has been the coordinator of the development of the Mathematics Test, which is part of the Standardised Assessment Tests that are used by all the HDI's (at the national level).

- Netshisaulu T T was appointed as a moderator for first year Physics at the Midrand Graduate Institute (MGI) - a private institution in Gauteng.

iii. Science Centre

- Mahapa S S was appointed as a Board Member of Sci-Bono Discovery Centre in Johannesburg.
2.2 RESEARCH CENTRES, CENTRES OF EXCELLENCE AND UNITS

2.2(a) SCHOOL OF AGRICULTURAL AND ENVIRONMENT SCIENCES

- Discipline of Plant Production, University of Limpopo selected to host Centre for Plant Stress Biology.
- Establishment of a Nematology Laboratory, within Discipline of Plant Production.
- Research Laboratory for the analysis of soil and plant samples.
- Remote Sensing and GIS laboratory for the analysis of aerial and satellite images.

2.2(b) SCHOOL OF COMPUTATIONAL AND MATHEMATICAL SCIENCES

- Telkom Centre of Excellence for Speech Technology
  The centre (abbreviated TCoE4ST) is a research unit in the Department of Computer Science and is headed by Prof Oosthuizen H J. Previously, the centre was a joint venture between Computer Science and the Department of Electrical, Electronic and Computer Engineering at the University of Pretoria since its inception in 1997. Historically, the venture was part of a government-inspired research capacity-building initiative that saw a number of Historically Disadvantaged Institutions twined to some Historically Advantaged Institutions.

2.2(c) SCHOOL OF PHYSICAL AND MINERAL SCIENCES

i. Chemistry

- Centre of Excellence in Catalysis (c*change), which has been created by the Department of Science and Technology and the National Research Foundation. The Department of Chemistry, SPMS is one of the groups amongst nine other South African Universities.

ii. Material Modelling Centre

- Material Modelling Research in collaboration with the Royal Society, UK the Centre has been established as a state of the art world class modelling facility, especially in the field of metals (platinum, alloys, minerals, and oxides as well as polymers and energy storage devices).

iii. Electron Microscope Unit

- Centre for Electron Microscopy and Microanalysis is multi-user regional facility for research and training. The centre has been appointed as a reference laboratory for the national energy dispersive spectrometry proficiency project. Includes 26 participating laboratories from industry and academic institutions.

iv. Unify

- Unify Programme in student academic development has been recognised by the Education Africa as a leader in creating culture of learning in rural areas.

2.3 RESEARCH AND RESEARCH GRANTS
2.3.1 INDIVIDUAL RESEARCH COMPLETED

2.3.1(a) SCHOOL AGRICULTURAL AND ENVIRONMENTAL SCIENCES

- Coetzee R J Goat production in Limpopo Province.

- Meyer E H H Wilson, J & Phelps, R (Auburn University, USA): Hormonally induced sex reversal of tilapia juveniles for the production of all-male populations for commercial aquaculture. Partially funded by the ICAAE, Auburn University, Alabama, USA.

- Ng'ambi J W Lysine utilization in chickens; Use of Acacia leaves in rabbits.

- Norris D Estimation of genetic parameters and variance components for growth traits in Nguni cattle; Genetic correlations between productive life and linear type traits in South African Jersey cattle.

Alberts M
NRF-SIDA (bilateral South African - Swedish Research link). This grant encourages research co-operation between researchers at Umea University, Sweden, University of Limpopo and University of the Witwatersrand by providing funds to facilitate research-oriented meetings, workshops, courses etc., e.g. the epidemiology & field methods workshops. Status: Continuing U.L. Representative: Dr M. Alberts.

INDEPTH field site network Dept. of Epidemiology, Public Health and Clinical Sciences, Sweden. Dept. of Public Health, University of the Witwatersrand, Free University, Amsterdam. Dr Alberts supervised the projects of 5 visiting medical students from this University.

Dambisya HM
was involved in the following:

Appointed Visiting Professor, KUTPM, Malaysia for the period February 2004-January 2006.

External examiner, Makerere University, Kampala (Uganda) for B.Pharm and MBChB students (June-July, 2004).

Dolamo BL
Collaborated with the Free State University on curriculum development Medical Sciences Program was invited by Dr. Mphahlele and Prof. Hoosen from Microbiological Pathology, Medunsa with the objective of seeking possible research collaborations.

Five students from Vrije University of Amsterdam visited the University of the North:

Minter LR
Royal Ontario Museum, Ontario, Canada (Dr Ross Mac Cullogh)
University of Texas, Arlington, Texas, U.S.A. (Mr Brice Noonan)
Natural History Museum, Paris, France. (Dr Christian Marty)

Mpolokeng MBL (MPH):

Received donations of Public Health Journals and books from Prof. Gorman and the program have been given access to online modules by Columbia University, Mailman School of Public Health from 2001 to date.

Nyazema NZ
was involved with the following institutions and organizations:

- London School of Hygiene and Tropical Medicine
- Karolinska Institute, Dept of International Health
- MRC, Indigenous Knowledge System Programme
- University of Zimbabwe
- WHO Quality Assurance and Safety: Medicine

Onya HE
has the following linkages:

- Maastricht University: Intern student
- United Nations Agencies (WHO, UNDP, UNICEF, UNIAIDS)
- African Medical Research Foundation (AMREF)
- International Union of Health Education and Health Promotion
- International Health Promotion Foundation Network
- Adolescent Reproductive Health Network (ARHNE)
- Ten Overseas Universities/ Institutions
- Seven African Universities
- Five South African Universities
- National Department of Health
- 9 Province Department of Health & Welfare
- Health Systems Trust, South Africa

University of Kent (UK)

2.7 COMMUNITY OUTREACH

2.7(a) SCHOOL OF AGRICULTURAL AND ENVIRONMENTAL SCIENCES

Coetzee, R.J. Assisted farmers in the Blouberg and Mashashane areas on goat production.

Malatje, M.S. Livestock development in the district of Sekhukhune (SLAG Projects), Kgalagadi Kid Project.

Mashatola, M.B. is a researcher in the Land Bank chair project involved in the following activities; (1) Pest control in small scale farmers under vegetable production (Upper Arabie) and (2) outreach on vegetable production (around Mankweng).

• Soil-aerial survey and land-use planning.

• Soil and plant analysis for farmers in the Limpopo Province.

Mugwabana, T.J. Assisted farmers in pre-feasibility studies of their claimed properties in Badplaas area, Mpumalanga. He was also involved in the SLAG Project.

Ng’ambi, J.W. Assisted in the development of poultry production in Aganang Municipality.

Norris, D. Assisted in the development of agricultural projects in Aganang Municipality, Limpopo province.

Ramudzuli, M.R. assisted grade 12 learners from Ripambeta and Ramabele High Schools.

2.7(b) SCHOOL OF COMPUTATIONAL AND MATHEMATICAL SCIENCES

Matjuda M J and Nairana F K assisted Unisa students on some Saturdays.

Serokolo S L made presentations at the Polokwane Show.

Ramadisha BM gave a keynote address at Phomolong Senior Secondary School during their Grade 12 Farewell Party.

van Niekerk M assisted St Bedes Catholic school with computer repairs and given other computer-related advices. Some members of Computer Science staff taught short computer courses to high school children who visited our Campus.

2.7(c) SCHOOL OF HEALTH SCIENCES

Kgole JC: Staged a Health Fair and fund raising occasion with Psychiatric nursing students on the 29th October 2004, for Moletsi Centre for the Mentally Handicapped Children and accumulated a sum of R1250.00, clothes and food.

Legodi M: was involved with organizing the Capricorn district career exhibition and the pharmacy week.

Malema RN: Moderation of Community Health Nursing Level 2 examination for the Limpopo College of Nursing (Sovenga, Thohoyandou and Giyani campuses).

Nyazema NZ participated in the following community outreach activities:-

- HIV/AIDS drugs seminar, Anglican Church, Mankweng, 10 October 2004.
- WHO facilitator in training courses for drug regulators, Ethiopia, 19

Naude L, Swartz JL, Coetzee BC, Modipa SI and Opperman H assisted community pharmacists by working as Locum Pharmacists.

Opperman H was a consultant and member of the Management of the Alcohol and Drug Centre in Polokwane was also assisted pharmacist colleagues in legal and financial matters pertaining to pharmacy.

Sedibane ML served on the National Science Week Organizing Committee to organize the National Science Week for the Limpopo Province hosted by UNIN Science Centre: 10-15 May 2004.
Sedibane ML organized the participation of the School of Health Sciences in the annual Polokwane Agricultural Show: 04-06 March 2004. Venue: Polokwane Agricultural Show Grounds.

2.7(d) SCHOOL OF MOLECULAR AND LIFE SCIENCES

Engelbrecht D Various lectures presented to organizations during the year.

- Involved in the establishment of an Environmental Education Centre in the Polokwane Nature Reserve with the Polokwane Municipality.
- “Paediatric Ornithology”. Talk to Medical Association of South Africa (June 2004).
- Involved with the Ground Hornbill Research and Conservation Project to raise awareness of the Southern Ground Hornbill in the Pokanong community and how they can protect this Red Data species. Pokanong, Blouberg (June/July 2004).

- Talk to SABC Radio on the conservation of the Southern Ground Hornbill. (July 2004).

Erasmus E Presented our Foskor research project at the Phalaborwa Environmental Forum meeting in September.

Mampuru LJ Committee member, Sesotho sa Leboa - Natural Sciences and Technology Terminology Project. Involved in the translational of natural sciences and technology terms to Sepedi for the Grade 0-6 pupils.

2.7(e) SCHOOL OF PHYSICAL AND MINERAL SCIENCES

i. Chemistry

Gelebe A C is a member of the Parents Teachers Association (PTA) at the Pietersburg English Medium Primary School (PEMPS).

Mafunda B G is an elected member of the Board of Trustees of the UNIN Retirement fund.

Naidoo E B is an executive secretary and church elder of the Pietersburg Parish Lutheran church Council and also Secretary of Music Committee in the circuit and Diocese of ELCSA in Southern Africa.

ii. Physics
Letsoalo MA served in the school governing bodies of “Toronto Primary School” and the “Helena Franz School”. Mr Letsoalo also served as a Technical advisor of the Bokamoso Science and Technology Centre at Bochum.

iii. Water and Sanitation

The project for the building of toilets at Makanye School was completed in 2004. The BSc students were involved in the project. 8 toilets were constructed and the operation and maintenance is being monitored by a group of students under the guidance of Ms K Makhele.

iv. Material Modelling Centre

Ngoepe PE has assisted the Limpopo Department of Finance and Economic Development in the development of the Mining Strategy made, and contributions at the Mining Summit of the Limpopo Province in August 2004.

v. Centre for Microscopy and Microanalysis

EDS analytical work for Gold and Diamond Division of the SA Police Services (SAPS).

vi. Unify

Some of the UNIFY staff have been involved in the Advanced Certificate in Education (ACE), Science and Mathematics Enrichment Project (SMEP) and National Professional Diploma in Education (NPDE) activities. These are the major initiatives by the National Department of Education and aimed at the retraining of mathematics and science teachers. The participants also facilitated school support workshops for teachers in collaboration with our colleagues in the School of Education.
