To: NHREC

FROM: Animal Research Ethics Committee (University of Limpopo)

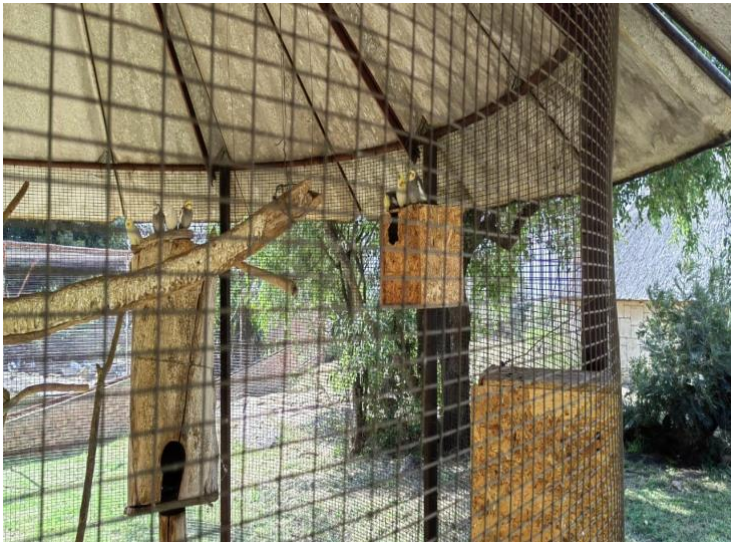

SUBJECT: 2021 Annual Report Corrections

NHREC Comment: Please indicate when facility inspections have resumed, after no inspections during the COVID-19 lock-down.

AREC Corrective action: The NSPCA ran inspections on the 11th of May 2022, issues of concern previously identified by the inspectors have been addressed by facility managers through institutional support.

Pictures taken during the inspection at all facilities (Biodiversity, Aquaculture and the University Farm)
