

LIBRARY DATABASES

Access Instructions

1. Off/Outside-campus:

- Select the provided **off/outside** campus database link in the second column.
- When the library login page opens, provide your 'Username' (**Name and Surname**) and the 'University ID' (**Student** or **Number Staff**)
- You should then be able to search and download full text articles that the University subscribes to.

2. On-campus:

- Select the provided-on campus database link in the second column to access the database directly.
- You should automatically be able to search and download full text articles that the University subscribes to.

Important Note:

- Please clear your **browser cache**, **cookies** and **history** regularly as they often result in errors when accessing databases. Most access issues can be resolved by this procedure. Select **either** of the links below for instructions: <https://www.mmm.edu/live/files/2544-cleaning-cache-instructions> or <https://cahnrs.wsu.edu/communications/web-services/support/internet-browsers-clear-cache-and-cookies/> or <https://www.digitaltrends.com/computing/how-to-clear-your-browser-cache/>
- If you still experience access problems after clearing the cache, please try accessing with a different **Web Browser** (e.g. *Google Chrome, Firefox and Microsoft Edge*). If problems persist, report to Library.Systems@ul.ac.za
